

# 10 Benefits of a Custom Unit

*"When you look good, you feel good!"*

## Savings

Invest in yourself. Spend once, and have your style forever! Long term savings.

## Modern

"Not ya Granny wigs" Custom wigs are the wave of the future! You cant even tell it's a wig.

## Protective Style

Your hair can rest under your unit. Moisturize, wash, and deep condition often without affecting your swag! Let your hair just GROW!

## Custom Made

Your unit is made *for YOU!* Each is made according to your head size and desired style.

## Easy Install

In 5 minutes or less, your unit can be on, and ready to go. Comes with clips and adjustable straps. *Can be sewn down as well.*

## Active Friendly

Units are secure! You can work out in your unit, and still look cute! Perfect for a healthy lifestyle.

## Lightweight

You wont even notice your unit! Its not heavy at all.

## Reusable

Use your unit over and over-they are long lasting! Take care of your unit, and it will last months, even years!

## Beauty

Be **FLAWLESS** at all times! You will look and feel superb in your new look. Enhance your beauty honey!

## "Boyfriend Approved"

Lucke units are "husband and boyfriend approved". Men have said they cant notice it's a "wig"!
